

## **Mobix Labs: Receives New Gulfstream Aircraft Component Orders as Production Continues**

March 5, 2026

IRVINE, Calif.--(BUSINESS WIRE)--Mar. 5, 2026-- Mobix Labs, Inc. (Nasdaq: MOBX) today provided an update following its 8:00 a.m. ET announcement, emphasizing that the newly announced purchase orders supporting Gulfstream aircraft reflect ongoing procurement tied directly to current aircraft production.

Mobix Labs' high-reliability components are already integrated into Gulfstream aircraft systems and support critical onboard electronics that must operate reliably in complex aircraft environments. As aircraft production continues, suppliers already designed into the platform often receive follow-on orders tied to ongoing manufacturing activity.

### **Forward-Looking Statements**

This release contains forward-looking statements subject to risks and uncertainties that could cause actual results to differ materially, including statements regarding production activity, procurement levels, order timing, and follow-on orders. For a discussion of risks, see the Company's filings with the Securities and Exchange Commission. The Company undertakes no obligation to update forward-looking statements, except as required by law.
