

Mobix Labs (MOBX): Selected for Smart Munitions Anti-Drone Feasibility Program

March 19, 2026

IRVINE, Calif.--(BUSINESS WIRE)--Mar. 19, 2026-- Mobix Labs, Inc. (Nasdaq: MOBX) announced it has been selected by a major munitions manufacturer for a smart munitions feasibility program focused on anti-drone applications.

The program is evaluating technology designed to make munitions more effective against fast-moving drone threats, one of the fastest-growing priorities in modern defense.

This selection marks Mobix Labs' entry into the smart munitions category and positions the Company for potential follow-on opportunities as the program advances.

Forward-Looking Statements

This press release contains forward-looking statements, including statements regarding the feasibility program and potential follow-on opportunities. Actual results may differ materially due to risks and uncertainties described in Mobix Labs' SEC filings.
